"... we take increased devotion to that cause for which they gave the last full measure of devotion... that government of the people, by the people, for the people, shall not perish from the earth."
- Abraham Lincoln

★ OUR NATION'S HISTORY ★

It doesn't sound very American, but the White House in Washington, D.C. was originally known as the Presidential Palace. It's also been known as the Presidential Mansion, the Executive Mansion, and the President's House. It didn't become officially known as the White House until the time of President Franklin D. Roosevelt in the 1930's.
