Sherbet

IN THE SWIM.

Have fun around the water this summer, but please BE SAFE. Every year, about 4,000 Americans drown, many of them kids.

Kids under 14 are more likely to drown in a swimming pool, while teens 15 and older are more likely to drown while swimming in a river, lake, or ocean.

Know your ability and your limitations. And don't swim alone.

EAT BETTER. PLAY HARDER. LIVE HEALTHIER. LEARN EASIER.
WELLNESS IS A WAY OF LIFE!
